‘THE PROOF SET
IN STONE’

π & e

MATHEMATICAL
EVIDENCE

FOR INTELLIGENT
DESIGN IN THE FIRST
WORDS OF THE BIBLE

By Peter Bluer

© 16 July 2009

Printed 17 May 2018

The Two Universal Constants encoded in Gen 1.1 and John 1.1

The two universal constants known to science and mathematics are the well known one called **Pi - π : 3.142... \approx 22/7** and the not so well known one of **Exponentiation** called ' **e** ': **2.718**. **π** first appears as the ratio of the diameter of a circle to its circumference **$C = \pi D$ or $2\pi r$** .

This constant is used to calculate **the Area of Circle** and **the Surface Area and the Volume of a Sphere**. Its use is truly universal in **Physics** and other branches of Science. For example, a few formulae are,

$0 = e^{i\pi} + 1$	Pure Maths
$f_0 = 1 / 2\pi \sqrt{LC}$	Electrical Theory
Force on a Planet = $4\pi^2 m r / T^2$	Gravitation theory

Any Science that involves **2** or **3 dimensional space** or solid materials, which is virtually everything, will always involve **π** .

The other **universal constant** is involved throughout Science and Mathematics. It was first discovered in the 16th century and is associated with exponential growth. It is found in quantitative science and technology obeying the law of the form $y = Ae^{kt}$.

It is not always realised by both teachers and students just how important this **constant** is.

Here are some formulae that uses **e** .

$x = Ae^{kt}$	Wave Equation
$A(x) = x / \text{Log}_e x$	Distribution of Prime numbers
$Q(t) = Qe^{-t/RC}$	Electrical theory
$e^{i\pi} = \text{Cos } \pi + i\text{Sin } \pi$	Pure Mathematics $i = \sqrt{-1}$

Now why are we discussing these **constants** as regards the issue of Creation and Evolution ? **Special Creation by God** is the answer given by **the Bible** of why we are here on **Earth**.

First we have to establish the true value of both **these constants**.

1. This paper is taken from the book '**A Proof Set in Stone**' obtainable from the author Dr Peter Bluer, 15 Patchcroft Rd, Wythenshawe, Manchester, M22 5JG. The Author is indebted to Vernon Jenkins, Bevan Williams and Ian Strachan for their discovery of some of these symmetries and the numerical constants.

א	1	α	1
ב	2	β	2
ג	3	γ	3
ד	4	δ	4
ה	5	ε	5
ו	6	ς	6
ז	7	ζ	7
ח	8	η	8
ט	9	θ	9
י	10	ι	10
כ	20	κ	20
ל	30	λ	30
מ	40	μ	40
נ	50	ν	50
ס	60	ξ	60
ע	70	ο	70
פ	80	π	80
צ	90	φ	90
ק	100	ρ	100
ר	200	σ	200
ש	300	τ	300
ת	400	υ	400
		φ	500
		χ	600
		ψ	700
		ω	800

The ancients did not know that e existed and had difficulty arriving at a true value of π , but today we know the true value of π to many millions of places of decimals. We know the value of e from the time when it was first discovered.

Now what does **the Bible** say about these two constants ? Quite a lot and the values will be shown to be within **0.001%** of the true values in both cases.

Because these **Constants** are **'Irrational' Numbers in the same way as $\sqrt{2}$** is, it is not possible that **the Biblical** method of calculating the values can be exact.

This is **even true** for **the mathematical formulae** that mathematicians use..

Firstly both **the Hebrew** and **Greek alphabets** have an unusual phenomena in that not only are they letters that spell words but each letter has a numerical value that was decided in about **200 BC**.

The Table shows the values.

The Scripture in **Gen 1.1** says **' In the beginning God created the Heavens and the Earth '** and

John 1.1 says **' In the beginning was the Word and the Word was with God and the Word was God '**

It is the **numeric values** of these two sentences that provide the answer.

Below is **Gen 1.1** with the necessary values applied from the table of values. It must be remembered that **Gen 1.1** was **written thousands of years ago** at the very dawn of history. The following analysis is truly amazing.

It is hardly believable, but I must say **the facts** are written in **Scripture** in the same manner as **a name engraved in Stone**. **Now for the formula !**

296	+	407	+	395	+	401	+	86	+	203	+	913	=	2701
90,200,1,5		400,1,6		40,10,40,300,5		400,1		40,10,5,30,1		1,200,2		400,10,300,1,200,2		
בראשית		ואת		השמים		ברא		אלהים		את		את		התחילת
Earth the		and		Heavens the		—		God		created		beginning the		In

Applying this most intriguing **formula** to the **Gen 1.1** and **John 1.1**

Gen 1.1

$$\pi = \frac{\text{The number of letters} \times \text{the product of the letters}}{\text{The number of words} \times \text{the product of the words}}$$

$$\pi = \frac{28 \times 2.3887872}{7 \times 3.0415352578417576} = 3.1416... \quad \text{Standard form format}$$

28 (**letters**) x 90 x 200 x 1 x 5 x 400 x 1 x 6 x 40 x 10 x 40 x 300 x 5 x 400 x 1 x 40 x 10 x 5 x 30 x 1 x 1 x 200 x 2 x 400 x 10 x 300 x 1 x 200 x 2 we have the following value

$$28 \times 23887872,000,000,000,000,000,000,000,000,000$$

This can be expressed as $28 \times 2.3887872 \times 10^{34}$

Then 7 (**words**) x 913 x 203 x 86 x 401 x 395 x 407 x 296 which gives $7 \times 304,153,525,784,175,760$

This can be expressed as $7 \times 3.04153525784175760 \times 10^{17}$

This is the same string of digits as π
We now apply the same formula to John 1.1

John 1.1

$$e = \frac{\text{The number of letters} \times \text{the product of the letters}}{\text{The number of words} \times \text{the product of the words}}$$

55	719	58	70	373	31	70	373	58
5,50	1,100,600,8,10	8,50	70	30,70,3,70,200	20,1,10	70	30,70,3,70,200	8,50
In [the] beginning was	the	Word	and	the	Word	was		
Εν	αρχη	ην	ο	λογος	και	ο	λογος	ην
450	420	134	31	284	58	70	373	
80,100,70,200	300,70,50	9,5,70,50	20,1,10	9,5,70,200	8,50	70	30,70,3,70,200	
with	the	God	and	God	was	the	Word,	
προς	τον	θεον,	και	θεος	ην	ο	λογος	

How did **John** in **his gospel** know **this 2000 years ago ?**

Did he study Genesis and realised that π was encoded and then he secretly knew this exponential constant and decided to encode this in his writings ?

This whole notion is preposterous and the *real truth* is that *God inspired him to write these profound words !*

If we drop one letter the constants are destroyed so it shows that the *actual text has been preserved* by the providence of God.

Gen 1.1 can be **displayed** in **Numerical Geometry**

The triangle above has **2701 elements** with side lengths of **73 elements**, **2701** is the value of **Gen 1.1**, **2701** is the **73rd Triangular Number**.

The inscribed triangle has **703 elements** the value of 'and the Earth' with side lengths of **37 elements**, which is **37th Triangular number**.

This triangle fits neatly in such a way as to section off **3 more Triangles** that have **666 elements** and side lengths of **36 elements**.

$$666 + 666 + 666 = 1998$$

Notice **the threeness** of **the Symmetry**, a sign of **the Triune God**.

Here are some further **Symmetries** of **Gen 1.1** which are outstanding.
 If we add together the odd positional values of the words,

$$913 (1) + 86 (3) + 395 (5) + 296 (7) = 1690 = 10 \times 169$$

The even positional values, $203 (2) + 401 (4) + 407 (6) = 1011 = 3 \times 337$

First the value **1690** is

10 times the 8th **Hexagon** number (**169**).

$$1690 = 10 \times 169.$$

Also the second value **1011** is 3 times
 the 8th **Hexagram** number (**337**)

$$1011 = 3 \times 337.$$

The Value of
 this Structure is
 $2701 = 37 \times 73$
 Gen 1.1

Gen 1.1

None of this design is a
 product of chance but of
 divine origin.
 By Dr Peter Bluer PhD, BSc [hons]

Many people ask me why **373** ?

The number **373** is a very interesting value. From the look of it you can see it is a palindrome - that is, it reads the same value backwards as well as forwards. Looking again it will separate into **(37)3** or into **3(73)**.

And **73** is the reflection of **37**.

373 is the **74th** prime number. You might ask why is that so relevant ?

The value **74** is **2 x 37** and **74** is the neighbour of **73**.

Now it gets interesting !.

On investigation **37** is the **12th** prime number and **73** is the **21st** prime number and we can now observe that **12** and **21** are the reflections of each other in just the same way that **37** and **73** are reflections.

The neighbour of the value **373** is the number **374** which when separated gives **(37)4** and **3(74)** which is of course **3(2 x 37)**.

Let us now find the product of **37 x 73 = 2701**. Is this unusual ? Yes !

Finding the sum of **2701** and its reflection **1072** gives **3773**.

$$\text{Now } 3773 = 7 \times 7 \times 7 \times 11 = 7^3 \times 11 [3 \& 7]$$

All this from **373** is a strange phenomenon !

Upon examination of **2701** it is the **73rd** triangular number i.e. the sum of all the values of **1 + 2 + 3 + 4 36 + 37 + 38 71 + 72 + 73 = 2701**.

There many more results concerning these numbers **3 & 7** and it can be shown by algebra that only **3, 7** have these remarkable properties.

The question is where on earth did I get this starting number **373** ?

The answer is from the Bible.

2701 is the value of **Gen 1.1** and

373 is the value of '**Word**' the name of **Jesus Christ**.

Now **Jesus** has the value **888 = 3 x 8 x 37** and

Christ has the value of **1480 = 3 x 5 x 37** **Both multiples of 37**

The value of **π** can also be given as

The Name of the Messiah (Christ)

Word (λογος) = 30,70,3,70,200 = 373

These words of **Genesis** were written by Moses **before** the numeration of **the letters were known !!**

The numeration of the Hebrew came into existence in about **200 BC**.

John 1.1 is in **Greek**, **Gen 1.1** is in **Hebrew** a different language.

The Star of David has a history only from about **1000 BC**.

It is very intriguing that a **Mathematic structure** such as **the Hexagram** was chosen as **Israel's** national emblem.

**** Therein lies the clue that we have all missed ! ****

The structure of **the Hexagon** and **the Hexagram** was discovered while proving by algebra that **$37 \times 73 = 2701$** and also is the **73rd** triangular number with **reflective** digits.

This is unique solution which uses the values of **3** and **7**.

Gen 1.1 is **$37 \times 73 = 2701$** (**$703 + 1998$**)

John 1.1 is **$39 \times 93 = 3627$**

Please note, both scriptures have reflective factors

$2701 + 3627 = 6328$ the **112th** Triangular number.

112 is the value of **LORD** (**26**) + **GOD** (**86**) **Hebrew**.

JESUS = (**$888 = 3 \times 8 \times 37$**) + **CHRIST** = (**$1480 = 5 \times 8 \times 37$**) = **2368**

6328 is an anagram of **$2368 = 4^3 \times 37$** (**$888 + 1480$**)

Gen 1.1 with **the 5 words** **$1998 = 2 \times 3^3 \times 37$**

Now **the Hexagon** can be viewed also as **a cube**.

The cubes shown are **3^3** and **4^3**

To recall, the value of **“The God” האלהים** is **91**.

Exploring the factor **$91 = 7 \times 13$** we have

$4^3 - 3^3 = 64 - 27 = 37$ and its Reflection **73** and **$73 \times 37 = 2701$**

$4^3 + 3^3 = 64 + 27 = 91$ and its Reflection **19** and **$19 \times 37 = 703$**

The value **703** = **“ and the Earth ”** is composed of **$407 + 296 = 703$**

if we now calculate **$3^3 / 91 = 0.296703^*$** and **$296703 = 3^3 \times 3^3 \times 407$** .

with also **$4^3 / 91 = 0.703296^*$** and **$703296 = 3^3 \times 4^3 \times 407$** .

The value **407** (**11×37**) is the value of **the sixth word** of **Gen 1.1**

These Structures show an origin not of man, but of God—because when Gen 1.1 was written the numeric assignments were unknown.

As we investigate further, these **Signatures 37 & 73** will keep re-occurring in these numerical structures.

For example concatenate the values **37 & 73** in this way as - **373**. Arranged as follows (**37**)**3** or **3**(**73**).

What do we find ? **373** is the **74th Prime Number**.

74 is 2 x **37** and the neighbour of **73**.

Add the last two words [6,7] **407** + **296** = **703** (**7, 3**) and

$$703 = 111 + 373 + 219 \quad \text{gives the digits}$$

$$[37 \times 3] \quad [373] \quad [3 \times 73] \quad 373 - 373 - 373$$

Previously we had **3773** revealing $7^3 = 7 \times 7 \times 7 = 343$

343 also encodes **37** and **73**. How ?

$$3(43) = 3 \underset{(7)}{4+3} = 37 \quad (34)3 = \underset{(7)}{3+4} 3 = 73$$

This value **343** equals the sum of **two Hebrew words**

ויאמר אלהים

In summary this number **2701** and its **Prime Number** product of **37 x 73** is most definitely **a very remarkable number**.

It is time, I think, that you should know what is the translation of these **7 Hebrew words**.

It is the sentence that the Astronauts read out from their Space Module. It is the most famous sentence known to man and it comes from the most ancient document we have.

It is from the first words of the Bible in **Gen 1.1**

“In the beginning God created the Heaven and the Earth”

The 2 nd object		the 1 st object		Subject and verb		
הארץ ₇	ואת ₆	ה שמים ₅	את ₄	אלהים ₃	ברא ₂	בראשית ₁
296	407	395	401	86	203	913
Earth the	**and	Heavens the	**	God	created	beginning the In

Each day of Creation begins
“And God said” 343 = 7³ as above
Gen 1.3,6,9,14,20,24,26

$$\begin{array}{r} 86 \\ + 257 \\ \hline 343 \end{array}$$

אלהים	ויאמר
86	257
God	said and

**Untranslatable Participle - the sign of the direct object

All these the values are define by **the Decimal System** i.e. **Radix 10**. In **Appendix A**, it is proved examining the **other possible Radices** of the form $r = 3a + 1$, that the only **viable Radix** for Bible Numerics is **Radix 10**.

Multiples of 37	n^{th} Prime Number ¹	Position in $\pi (Pi)^1$
$1 \times 3 \times 37 = 111$	111 th Prime no. 607	'111' occurs at position 153
$2 \times 3 \times 37 = 222$	222 nd Prime no. 1399	'222' occurs at position 1735
$3 \times 3 \times 37 = 333$	333 rd Prime no. 2239	'333' occurs at position 1698
$4 \times 3 \times 37 = 444$	444 th Prime no. 3119	'444' occurs at position 2707
$5 \times 3 \times 37 = 555$	555 th Prime no. 4019	'555' occurs at position 177
$6 \times 3 \times 37 = 666$	666 th Prime no. 4973	'666' occurs at position 2440
$7 \times 3 \times 37 = 777$	777 th Prime no. 5903	'777' occurs at position 1589
$8 \times 3 \times 37 = 888$	888 th Prime no. 6907	'888' occurs at position 4751
$9 \times 3 \times 37 = 999$	999 th Prime no. 7907	'999' occurs at position 762
Totals	Sums to 37073	Sums to 16012
Remember Gen 1.1 with its value of 2701 and its Reflection of 1072 . 2701 + 1072 = 3773		Reflect 16012 <> 21061 16012 + 21061 = 37073

Can you believe the above ! These properties of $37 \ \& \ 73 = 2701$ are **phenomenal** and that is why **The Lord** has chosen **base 10** and the **Symmetries** of the **Prime Number 37**.

It is only in this **age of computers** that it has been possible to calculate these **large number positions** in π and **Prime Numbers**.

This **Prime Number 37** is found in **the Bible Gen 1.1** and in **DNA**.

After **Gen 1.1** we will examine **Gen 1.2b** says

“ And the Spirit of God moved upon the face of the waters ”

This phrase about **Creation** has the remarkable value of $1369 = 37 \times 37$
Creation: 20 Amino Acids: The Atomic weight DNA 2738 = 2 x 37 x 37

1. This program finds the position of any **numeric string** in $Pi - \pi$
<http://www.angio.net/pi/piquery.html> The position of any **Prime Number**.
<http://primes.utm.edu/nthprime/index.php#nth>
 The knowledge of **Primes Numbers** up to **19013** was unknown to **Moses**.

Remember the **7 values** of **Gen 1.1**

ברא	שית	ברא	אלהים	את	השמים	ואת	הארץ
296 ₇	407 ₆	395 ₅	401 ₄	86 ₃	203 ₂	913 ₁	
Earth	the	and	Heavens	the	—	God	created beginning the In

Previously we learnt that these values sum to **2701**

$$296 + 407 + 395 + 401 + 86 + 203 + 913 = 2701 = 37 \times 73$$

Just as **37** is the reflection of **73**

$$2701 \text{ is the reflection of } 1072, \text{ then } 2701 + 1072 = 3773$$

Next index the **7 values** to **Primes** in this way. What is the **913th Prime** ?

The Final result of the indexing of the **7 words** of **Gen 1.1** to **Prime numbers** with the result seems to me **beyond Miraculous**. I find this **hard to believe** every time I study this. It is like a **Thunderbolt** from **Heaven**

913th Prime No. = 7127
 203rd Prime No. = 1237
 86th Prime No. = 443
 401st Prime No. = 2749
 395th Prime No. = 2711
 407th Prime No. = 2797
 296th Prime No. = 1949
 The Total Sum = 19013

This next item, **Unbelievable**.
 703rd Prime No. is 5303.
 2701st Prime No. is 24317.
 And between **5303** and **24317** there are exactly **19013** integers

Now **19013** is the **2161st Prime Number**.

We Reflect & add **2161 + 1612 = 3773** Just as **2701 + 1072 = 3773**
1612 = 2 x 2 x [13 x 31] The Signatures of **John 1.1 = 3 x 3 x [13 x 31]**

Remember these values are from **Gen 1.1 Wow !!!**

This **incredible** result is the work of **the Master Mathematician** our **Father** The connection between **Prime numbers** and the values of **Gen 1.1** is truly **phenomenal**. **Prime numbers** are studied by **Mathematicians** as **Primes** are **fundamental** to **Mathematics**. This analysis shows the absolute **“Proof Set in Stone”** of **the divine origin** of the **7 words** which **Moses had written**. He had **NO KNOWLEDGE** of the values of **7 words** in **Gen 1.1**. **“In the beginning God created the Heaven and the Earth”**

“He [Jesus] is the reflection of God's glory and the exact likeness of his being” **Heb 1.3** As 37 reflects 73

Finally the total of in **Rev 1.1 “The Revelation from Jesus Christ, which God gave him ...”** has the value **18865** and **2 x 18865 = 3773 x 10 !!**

You should now watch the DVD or read the Seven Unusual Numbers booklet. This will give you the unassailable evidence that you need which proves that the Bible is indeed the true revelation to Mankind. It shows by Prime Numbers that the words in **Hebrew of Genesis 1.1** and the **Greek words of John 1.1** are the exactly the right number of words and letters that there should be. No more and no less !

Now what can we say about the Messiah - Jesus Christ ?

The Religions of Ancient Rome could not compete
with the promise of the God of Israel -
the promise of Eternal life in the Kingdom of God
and with the entrance into his Kingdom having been paid for
by the blood of His Christ - **His own Son.**

The Promise is the free gift of eternal life.

You cannot work for it. John 6.29

They said to Jesus,

“ What must we do, to do the works of God ?”

Jesus answered them,

*“ This is the work of God, that you believe
in him whom He has sent.”*

All the Prophets from Moses, Isaiah, Jeremiah
never spoke like this Man !

The Prophets all confessed their Sins but this man never gave
the slightest hint that he was a sinner, for in Christ the
“ whole fullness of the Deity dwells bodily ” Col 2.9

Also He made the most amazing statements
that no Prophet had ever uttered:

Jesus said to them

“ you will die in your sins unless you believe that I am He ”

*“ I say to you, If any one may keep my word, by no means
will he taste death in the [coming] age ”* John 8.24, 51

*“ I am the Resurrection and the life; he who believes in me,
though he die, yet shall he live, [at the resurrection of the dead]
and whoever lives [again, in this resurrection]*

and believes in me shall never die ” John 11.25

To see the Evidence for why the Bible is True watch the DVD.

*This small booklet is
part of a book.*
**Contents 460
Pages**

373

A Proof Set in Stone

by Dr Peter Bluer, PhD, BSc [hons]

Section 1

The Fundamental Doctrine of Christianity.

The exposition of **John 1.1** More evidence from the
New Testament. The Plural of God in the Old Testament.
Who is the Angel of the Covenant ?. The Glory of the LORD.
The Doctrine of the Holy Spirit.

Section 2

Mathematical proof for an unbelieving age that Genesis

Investigation of **Gen 1.1**. Evidence in the New Testament.
Numerical Geometry. Algebraic Analysis. The Shema.
Other Languages, English, French and German.
Numerical analysis of John 1.1.

The analysis of Pi, π , $22/7$, e , 2.718

Section 3

Clear evidence that Jesus Christ is the prophesied Messiah

sent to Israel at the time of the Roman Empire.

The exact time of his appearance as prophesied by Daniel the
Prophet and a **New** assessment of the Second Advent.

A verse by verse exposition of 70 Weeks of Daniel 9:24-25
The book is obtainable from the Author for £14.99 incl. P & P
@ 15 Patchcroft Rd, Peel Hall ,Wythenshawe, Manchester, M22 5JG,

Peter Bluer PhD, BSc [hons]

This book provides full Scientific Evidence for the Truth of the Bible and the Proof of the fundamental Teaching of Christianity, called 'The Deity of Christ' with full Analysis of the Event called the Second Coming of Christ.
